

# Learning grid – Orion & Phoenix Class

When you see 'Learning Grid' on your timetable you can choose one of the activities below:

## Sounds!

Explore making different sounds using household objects such as dried beans in a bottle, wooden spoon and a pan and water through a colander.

How can you make these sounds louder or quieter? Make a string telephone using two cups and a piece of string. How can you use this to communicate with members of your family?

## Queen Boudicca!

Who was Queen Boudicca, what was her tribe called and what were they fighting for?

Make a wanted poster for Boudicca. Make sure you describe what she looks like, where she might be found and what the reward for finding her would be.

## Conspiracy theories about Stonehenge

There are many different theories as to why Stonehenge was built. Research these theories and see which one you think is most likely (plausible) to be true.

## Cave Paintings

What are cave paintings? Watch the video below:  
<https://www.bbc.co.uk/programmes/p06jqxmk>

If you have paints at home, try using a stick as a paintbrush. Now go at making your very own cave paintings.

## What are your aspirations?

Write a letter to your teacher explaining what your goals and dreams are for 2021.

## Skara Brae

Draw and write a description about what was found in Skara Brae. Use the link to help you:

## Sewing Practise

**Do this with adult support.** You will need fabric, a sewing needle and a thread. Practise the running stitch, keep going until your stitch is straight and you have fused two pieces of material together.

## Build your own Stone Age cave!

Using blankets, cushions, chairs or anything you can get your hands on, build your own mighty cave. Click on the link below to show you how to build it:
